SAPTHAGIRI COLLEGE OF ENGINEERING
(Affiliated to Visvesvaraya Technological University, Belagavi & Approved by AICTE, New Delhi)
Accredited by Naac 'A' grade, Accredited by NBA for ECE, CSE, ISE, ME, EEE
An ISO 9001:2015 & ISO 14001:2015 Certified Institution)
#14/5, Chikkasandra, Hesaraghatta Main Road, Bengaluru - 560057
Phone:080-28372800/1/2   www.sapthagiri.edu.in   Fax: 080-28372797

Strategic Perspective Plan of Sapthagiri College of Engineering for the year 2023-2024

Sl. No	Dept/Com mittee	Chronology	Plan	Description	Strategy	Funds/Budget	Remarks
		13/07/23	Webinar	Webinar on careers in biotechnology	To provide information regarding importance of careers in biotechnology and the other options	Available facility in the college is used	Completed
		15/07/23	Group Discussion	Group discussion for 4th Semester students on the account of World Youth skills day	To encourage and motivate students to come up with ideas and participate in group discussions	Available facility in the college is used	Completed
		21/08/23	Working model exhibition	Working model exhibition on Molecualar biology and Genetic engineering Techniques	To promote creativity, problem solving skills and presentation skills for students	Available facility in the college is used	Completed
		23/08/23	Industrial Visit	Industrial Visit to Indian Institute of Horticulture Research, Bengaluru.	Students learnt various tissue culture techniques and callus induction techniques	Available facility in the college is used	Completed
		28/08/23	Alumni talk	Alumni talk on invoking consciousness through awareness on responsible disposal and plastic recycling technology	To create an awareness among the students about recycling of plastic waste	Available facility in the co	Completed
		29/08/23	Seminar	Seminar on Igniting Innovative solutions for bright future	Students were made to understand the idea of entrepreneurship and innovations in business	Available facility in the co	Completed
		05/09/23	Alumni talk	Alumni talk on Career Pathway and scope in biotechnology	To highlight the career oppotunities available in the field of biotechnology	Available facility in the co	Completed
		24/10/23	Seminar	Seminar on Innovation and Design Thinking	To develop an adavnce innovation and growth mindset form of problem identification among students	Available facility in the co	Completed
		30/10/23	Seminar	Seminar on NGS and it's Applications	To understand the importance and role of bioinformatics.	Available facility in the co	Completed
		18/11/23	Industrial Visit	Industrial Visit to Gandhi Krishi Vigyana Kendra, Bengaluru	To create an awareness and understanding of agricultural techniques	Available facility in the co	Completed
		23/11/23	Alumni talk	Alumni talk on regulatory affairs in biotechnology industries.	To understand the importance of regulatory affairs in biotechnology industry	Available facility in the co	Completed
		11/12/23	Group activities	Poster painting	To create an awareness about prevention of pollution.	Available facility in the co	Completed
		15/12/23	Expert talk	Expert talk on A journey to higher education	To empower students about the importance of higher education.	Available facility in the co	Completed
1	BT	18/12/23	Technical Seminar	Technical seminar on Pollution Control	To raise an awareness among the students about the industrial disasters causing threat to mankind	Available facility in the co	Completed
		19/12/23-22/12/23	Certificate course	Cerification course on R Programming for Biotechnologists	To teach students about the analysis of data using R Programming	Available facility in the co	Completed
		08/01/24	Group activities	Debate activity	Debate was conducted based on various topics of biotechnology	Available facility in the co	Completed
		25/01/24	Industrial Visit	Industrial Visit to Indo American Hybrid Seeds, Bengaluru	To bridge the gap between theory and Practical techniques of tissue culture	Available facility in the co	Completed
		27/01/24	Hands on Training	R Programming language for Biotechnologists	To teach students about the analysis of data using R Programming	Available facility in the co	Completed
		31/01/24	Alumni talk	Alumni talk on career opportunities in Pharma Sector	To give a brief idea about the different job opportunities in pharma sector	Available facility in the co	Completed
		08/02/24 - 10/02/24	Hands on Training workshop	Workshop on importance of animal cell culture and it's role in research and industry.	To understand the various animal cell culture techniques and their significance	Available facility in the co	Completed
		19/02/24- 23/02/24	Hands on Training workshop	Workshop on Biomedical Instrumentation, Sapthagiri Institute of Medical Science	To understand the application of various medical instruments.	Available facility in the co	Completed
		26/02/24	Food walk	Food walk 2024	To make students to think in an innovative and crative manner.	Available facility in the co	Completed

		Date	Event	Description	Objective	Facility	Status
		19/03/24	Poster presentation	Mini Project Poster presentation	To gain knowledge about the different specializations in biotechnology	Available facility in the co	Completed
		22/04/24	Logo design	Planet vs Plastics on the ocassion of World Earth Day	To create an awreness among the students about the critical environmental challenges and it's	Available facility in the co	Completed
		20/05/24	Hands on workshop	Workshop on Drug Discovery and it's pharmacological application	To address the students about the recent developments in computational drug discovery technologies	Available facility in the co	Completed
		21/06/24	Plantation drive	World Environment Day celebration	Plantation of saplings were done by students near Hesarghatta lake, Bengaluru	Available facility in the co	Completed
2	CV	15-07-2023	Mini Project exhibition	This mini project exhibition had organized for 5th semester students . It helped students to get more confidence, presenting skills and knowledge. The batchwise projects were evaluated by Dr. Rajeswari R R	To get knowledege about current topics in civil engineering To improve skills on model making, presentation and explanation	Available facility in the college is used	Completed
		29-07-2023	Technical talk on application of CFD-in th	This technical talk was organised by the departement ofmechanical and civil engineering on 29/07/2023 at 11:00AM for the students of 4th sem students. The resource person Mr.Yuvraj M, Application Engineer at	To get knowledge about applications of CFD in thermal engineering and flow analysis on flownex	Available facility in the college is used	Completed
		10-08-2023	Technical talk on fluid properties and its	It was organized by civil and mechanical department for 4th sem students on 10/08/2023 . The resource person Prof. Palakshaiah, Assistant professor , department f mechanical engineering, SJCIT, Chikkaballapur	To make knowledge on the general properties of fluids	Available facility in the college is used	Completed
		04-09-2023	Guest lecture on bio printing techniques	It had arranged for 4th sem students. It was related to topics of biology for engineers.around 35 students had participated	To solve problems in the interfacing of systems like plant, animal or microbial with human designed machines, structures, processesand	Available facility in the college is used	Completed
		06-09-2023	Industrial visit to Nirmithi Kendra	2nd and 4th sem students were taken this visit as the part of their curriculam, subject green buildings	To explore and to know about materials which we can use alternate materials for solve global warming	Available facility in the college is used	Completed
		15-09-2023	Engineers day	All faculties had participated and around 130 students were participated in this celebration and it had helped them more about the	To create awareness to students and faculties on role of engineers in the development of our nation	Available facility in the college is used	Completed
		15-09-2023	Mini project	This mini project exhibition had organized for 5th semester students . It helped students to get more confidence, presenting skills and knowledge. The batchwise projects	To get knowledege about current topics in civil engineering To improve skills on model making	Available facility in the college is used	Completed
		20/09/2023 - 23/09/2023	Induction program	This program was organised by our civil engineeirng department on 20/09/2023 for giving ang introduction about VTU curriculam and college	To make aware students about VTU curriculam and about honors degree To inform about credit system	Available facility in the college is used	Completed
		16/10/2023 -21/10/2023	Ma Brahmacharini pooja	Civil engineering deartment had organized pooja on 16th october 2023 and also aaydhapooja was organized on 21st october 2023	To seek blessings of Ma Braqhmacharini	Available facility in the college is used	Completed
		02-11-2023	Workshop on Problem solving and ideatio	this seminar highlighted various information about GISand it had given by Mr. Puneeth , ESRI Portfolio, GIS Specialist	To know the necessity of GIS & to get more knowledge about creating maps	Available facility in the college is used	Completed
		27-11-2023	Site visit to Marathalli	Final year students had partcipated actively on this site visit and it was helpful for them to get knoledge about steel structures	To get site exposure and to fill the gap in between industry and education	Available facility in the college is used	Completed
		08-12-2023	Workshop on design thinking, critical thin	Speakers explained about BIM software.BIM adoption has grow substantially I n 2011. 43% were not knowing about BIM. Ms.Deepika, Ms.Archana, Ms.Desulla Bhavani	To get knowledge about BIM	Available facility in the college is used	Completed
		05-01-2024	BWSSB visit	It was organised by civil engineering department and it helped students to understand about water treatment plant and its	To enhance knowledge of construction and working of domestic water treatment plant for students	Available facility in the college is used	Completed
		16-01-2024	Workshop On Revit Architecture	This workshop had arranged for the 5th semester students of civil engineering in association with "Inana Infotech	To rectify the design clashes using revit model	Available facility in the college is used	Completed
		02-03-2024	Food walk	It was organised by civil engineering department and it had organised for 3rd semsester students .Nandivi V were the coordinator for	To improve cooking skills and more than that to learn about sustainable food practices	Available facility in the college is used	Completed
		09-03-2024	3rd & 5th semester mini project exhibition	It was organised for 3rd and 5th semsester students to imorove their innovative ideas	to get knowledege about current topics in civil engineering to improve skills on model making	Available facility in the college is used	Completed
		09-03-2024	Alumini talk	This talk was arranged on 09.03.2024 in ALH 409 under the guidance of faculty coordinator Mr.Pramod K A. Alumini of college Fr. Manjunath addressed his juniors and	To provide an opportunity to students to explore their theoretical knowledge in the field of engineering	Available facility in the college is used	Completed
		16-03-2024	Technical talk on revolution in UltraTech	It was organised for all civil engineering students. Cash prizes were given to students who got good marks in concrete technology to encourage them to get knowledge	To enhance knowledge of cement to students of all semesters	Available facility in the college is used	Completed
		22-03-2024	World water day celebration	Around 120 students were participated and it was conducted on 22nd march 2024. this program helped students to understand students knowledge about	To bring awareness about the importance of water and its protection and necessity	Available facility in the college is used	Completed

Date	Event	Description	Objective	Facility	Status
07/05/2024 to14/05/2024	AICTE activities	These are the activities will help students to get additional activities points and and it will help students to get entrepreneurial capabilities and social commitments	To expose students to real time life challenges, to provide the opportunity together collect and analyse the data	Available facility in the college is used	Completed
07/05/2024 to14/05/2024	Extensive survey camp	It had conducted from 7th may to 14th may as per VTU curriculam and to get more knowledge about surveying	To restore or enhancing the capacity of existing reservior To identify the storage capacity of	Available facility in the college is used	Completed
10-05-2024	Swatch Bharath abhiyan	It had conducted in Mandya district . The students and faculties were actively participated. It had fullfilled the role of young generation in awakening the people of rural areas in creating a healthy environment in the villages	To eliminate or reduce open defecationTo keep villages clean To lay water pipelines in villages	Available facility in the college is used	Completed
11-05-2024	Role of Civil Engineers In Sustainable Inf	It conducted on account of swatch bharath abhiyan . Technical talk had given by Dr.G P Shivashankar , Professor , Dayananda Sagar College Of Engineering , Bengaluru. Around 130 students had participated.	To create awareness to students and faculties on role of engineers in the development of our nation	Available facility in the college is used	Completed
05-06-2024	World environment day	These were the activities conducted by 4th and 6th semseter students of civil engineering to create awareness of environemntal protection	To expose students to real time environmental challenges, To provide the opportunity together collect and	Available facility in the college is used	Completed
14-06-2024	Technical seminar	This technical seminar was organised by civil engineering department . Prof Pramod K A & Prof Pallavi G A were the coordinators for this program	To identify major sources of carbon emissions and its reduction methods	Available facility in the college is used	Completed
21-06-2024	Introduction to civil softwares	It had conductedby civil engineering department and it helped students to undertand about various softwares using in civil engineering for design and construction process	To provide knowledge about civil engineering softwares and their imortance	Available facility in the college is used	Completed
Second week of August 2023	Orientation program	GDSC	students club inuaguration and registration of the students to the club		Completed
Third week of August 2023	Mini project	Mini project Exhibition	To exhibit various mini projects and showcase their talents by the 4th semester students		Completed
Fourth week of August 2023	Alumni talk	Achieving value proposition and business fit	To share the Knowledge on Achieving Value Proposition and Business Fit in present real time		Completed
Fourth week of Septeber 2023	Hackathon	Hackathon	To formulate solutions on the given problem statement in various domains		Completed
Second week of October 2023	Technical talk	Space outreach talk	To enhance the space knowledge of the students		Completed
Third week of October 2023	Skill Enhancement Program	Skill Enhancement Program	To develop effective Technical skills		Completed
Fourth week of October 2023	Poster Presentation	Poster Presentation	Provide an opportunity to everyone to develop Communication and Presentation skills		Completed
Third week of November 2023	ANDRO-THON	ANDRO-THON	Android Development, Computer Hardware & Aptitude		Completed
Fourth week of November 2023	Technical talk	Importance and introduction of Angular JS	To give exposure on Angular JS		Completed
Third week of December 2023	Technical talk	IMETAVERSE by IMARTICUS Learning	To enhance the knowledge of doing Project		Completed
Fourth week of December 2023	Mini Project Exhibition	Mini Project Exhibition	To exhibit various mini projects and showcase their talents by the 1st semester students		Completed
Fourth week of December 2023	Career guidance	Higher Education in Abroad, Career guidance	To share the Knowledge on studying in abroad.		Completed
Second week of January 2024	Skill Enhancement Program	Youth Festival Event	To enhance importance of youth power		Completed
Fourth week of January 2024	Artificial Intelligence Education Program	Skill enhancement Program on Artificial Intelligence	Transforming students into SKILLED ENGINEERS in EDGE COMPUTING, AI& SENSORS		Completed
Third week of February 2024	Alumni Talk	Importance of Java	To give exposure on Importance of JAVA		Completed
Fourth week of February 2024	Workshop	Infosys Spring Board Briefing Session	The event was about making digital education more intuitive and immersive with features that		Completed
Fourth week of February 2024	Industrial visit	Industrial visit To ISRO			Completed

3	CSE	Fourth week of February 2024	Workshop	Infosys Spring Board Briefing Session	The event was about making digital education more intuitive and immersive with features that	Available facility in the college is used.	Completed
		Fourth week of February 2024	Industrial visit	Industrial visit	To enhance the knowledge of students on real world scenario and trending technologies	Available facility in the college is used.	Completed
		First week of March 2024	Mini Project Exhibition	Mini Project Exhibition	The event was about Giving an opportunity for the students to exhibit their technical intellect and	Available facility in the college is used.	Completed
		First week of March 2024	Poster Presentation	Poster Presentation	The objective of the event was to ignite the fire of imagination and creativity in the students	Available facility in the college is used.	Completed
		Second week of April 2024	Alumni Talk	Talk on Personality Development and Technical Skills	To give exposure on Personality Development and Technical Skills	Available facility in the college is used.	Completed
		Second week of April 2024	Alumni Talk	Talk on Sales force	To give exposure on Salesforce	Available facility in the college is used.	Completed
		Fourth week of April 2024	POSTER PRESENTATION	POSTER PRESENTATION	The objective of the event was to ignite the fire of imagination and creativity in the students	Available facility in the college is used.	Completed
		second week of May 2024	Workshop	Certification Program	To develop coding skills	Available facility in the college is used.	Completed
		second week of May 2024	Alumni Talk	Talk on Java Skills	To give exposure on Java Skills	Available facility in the college is used.	Completed
		First week of June 2024	Industrial Visit	Industrial Visit-ISRO	To enhance the knowledge of students on real world scenario and trending technologies	Available facility in the college is used.	Completed
		First week of June 2024	Training program	JAVA- Backbone of Innovation	Encompassing Fundamental Programming Concepts and Platform Independence	Available facility in the college is used.	Completed
		Fourth week of June 2024	Mini Project	Mini Project Exhibition	To enhance the knowledge of doing Project	Available facility in the college is used.	Completed
		First week of July 2024	Technical Talk	Orientation on Data Analytics-Artificial intelligence and Machine learning by IMARTICUS	To enhance the knowledge ON DATA ANALYTICS	Available facility in the college is used.	Completed
		Second week of July 2024	workshop	Student development program by KARUNADU	To develop effective Technical knowledge on IOT.	Available facility in the college is used.	Completed
		Second week of July 2024	workshop	Advance python programming	The objective of the event was to ignite Python Programming	Available facility in the college is used.	Completed
		Fourth week of July 2024	Mini Project	Mini project Exhibhition	Demonstration of coding and output related to the title of Mini project	Available facility in the college is used.	Completed
		4th week of August 2023	Alumni Talk	Career guidance in Cloud Computing and Big Data	To share the Knowledge on career guidance		Completed
		2nd week of October 2023	Talk on carrier oppurtunities	Higher Education in Abroad, Career guidance	To share the Knowledge on studying in abroad		Completed
		3rd week of October 2023	Workshop on Software tesing tools	Handson on Selinium Tools	To enhance the knowledge on Software Testing Tools		Completed
		4th week of November 2023	Alumni Talk	Importance of Machine Learning	To share the Knowledge on Machine Learning Techniques		Completed
		4th week of December 2023	Skill Development Program	Soft Skill	To enhance the soft skill ability of students		Completed
4	ISE	2nd week of Februaary 2024	Expert Talk on Full Stack development	Full Stack and Java	To educate about Full stack and Java		Completed
		1st week of March 2024	Food Walk	Food Walk	To bring the awareness about hygeine and know about food variety as per different cultures		Completed
		1st week of May 2024	International Conference	International Conference	To collaborate and enhance the knowledge on Paper writing skills		Completed
		2nd week of June 2024	Dept Fest	Dept Fest	To exhibit various activities and showcase their talents in new technologies		Completed

		4th week of July 2024	Mini Project Exhibition	completed			completed
		4th week of August 2023	Technical Event	Mini Project Exhibition for2nd year students	identify the judges Conduct the event Motivate the winners	Available facility in the college are used.	Completed
		3rd week of september 2023	Induction program	Induction program for 1st year students on institution and department	Pricipal, HOD and Coordinators breifed about institution rules and regulations, curriculum details and	Available facility in the college are used.	Completed
		Last week of November 2023	Technical talk	Techinal talk on Career oppurtunities in Embedded systms and IOT	Identified the Guest Speaker Conducted the event	Available facility in the college are used.	Completed
		3rd week of December 2023	Skill Development Program	A Career Development program in association with IMETAVERSE, Game based assesment App development	identify the resourse person Coordinate with resource person and fix the date	Available facility in the college are used.	Completed
6	ECE	Last week of December 2023	Mini Project Exhibition	Mini Project Exhibition for3rd year students	identified the judges Conducted the event Motivated the winners	Available facility in the college are used.	Completed
		3rd week of January 2024	Guest Lecture	An Expert talk on Electronic System Design from concept to Product	identify the resourse person Coordinate with resource person and fix the date	Available facility in the college are used.	Completed
		Last week of Februar 2024	Mini Project Exhibition	For 1st year students on 5th jan 2024	To explore the innovative ideas	With available facility in the college	Completed
		Last week f April 2024	International Conference	For final year students from 27-29 Apr 2024	Dr Hanumanthraju ,BMSIT Bangalore &Dr.Abhay Deshpande , R VCE, Bangalore were the session chairs.		Completed
		First week of September 2023	Project work Exhibition	1. To provide an oppartunity for students to exibit their projects.2. To provide an oppartunity interact with peers and visitors. 3.Toprovide an onnartunity to develon	1. To motivate students to participate in project exhibitions and demonstrate the working 2. To	Available facility in the college are used.	Completed
		Second week of September 2023	CMTI- Innovative Idea Competition	1. To provide an oppartunity for students to particiapte in the state level contest. 2 To encourage students to presents their idea / solution to the challenges of the	1. To encourage innovative thinking / critical thinking in students 2. Motivate students to develon new	Available facility in the college are used.	Completed
		Third week of September 2023	Orientation Program for 3rd Sem ME students	1. Orient the students on Courses in Mechanical Engineering 2. Introduce the faculty of Mechanical Engineeing denartment 3. Provide general guidelines	1. Provide students complete information about the theory / laboratories of Mechanical	Available facility in the college are used.	Completed

Sl No	Dept	Date	Activity	Objective	Purpose	Resources	Status
7	ME	Third week of September 2023	Orientation on Activity points for 5th Semester ME students	1. To provide information on type of activity / execcution etc. 2. To clear the doubts on conducting activity poins	1. To motivate students to complete activity points 2. To motivate students to involve in	Available resources of Institution (Transportation service)	Completed
		Third week of September 2023	Engineers Day Celebration	1. To encourage the students to participate in Quiz / aptitude tests. 2. Create awareness on professional ethics / responsibilities of Engineers in the society	1. To provide an oppartunity for students to organize competitions. 2. To create awareness on Professional	Available resources of Institution (On-line Quiz)	Completed
		Second week of October 2022	Workshop on 3D Printing	1. To provide fundamental knowldge on CAD Package 2.To provide hands on training on the CAD Package 3. To make the students well versed with Assembly drawings	1. To Provide oppartunity for students to learn CAD Drafting package 2. To provide hands on trianing on	In house facilities are used and Few students having knowledge of	Completed
		Fourth week of October 2022	Motivational Talk	1. To motivate the students on career oppartunities in Design Engineering 2. To create awareness on the pre requisites for a Design Engineer	1. To develop design related skills in students. 2. To develop interest in students to become good design	Available facility in the college are used.	Completed
		Second week of November 2022	Alumni Talk	1. To orient the students on hybrid vehicles and their functioning 2. Provide complete information related to construction and working of Hybrid vehicles	1. To encourage students to study Hybrid vehicles 2. To provide an oppartunity for students to interact /	Available facility in the college are used.	Completed
		Third week of November 2023	Motivational talk on Entrepreneurial Opportunities for Mechanical Engineering Students	1. To create awareness on Industrial robots / applications. 2. To orient students on the oppartunities in the area of Robotics	1 To provide oppartunity for students to know about Robots / Industrial Automation 2. To motivate students	Available facility in the college are used.	Completed
		Second week ofDecember 2023	KSCST Proposals submission	Orient students on submitting research proposals	To provide an oppartunity to present papers	Available facility in the college are used.	Completed
		Second week of April 2024	ICGCP 2024	Orient students on research presentations /publications	To provide an oppartunity to present papers	Available facility in the college are used.	Completed
8	IQAC	December 2023	Preparation of AQAR - 2023-24	Review and submission of annual report to NAAC	Preparation of Annual reports as per the NAAC format an upload in the NAAC website	Available facility in the college is used.	Completed
		July 2024	Preparation of Mandatory Dsclosures	Preparation and submission of Mandatory disclosure to AICTE	To prepare thr mandatory discloures as per the AICTE requirements and submit the report	Available facility in the college is used.	Completed
		Second Week of April 2024	Organizing ICGCP-2024	Providing an oppartunity for students and Research scholors to present their research work.	Encourage research scholars to write reearch proposals and involve in research work	Available facility in the college is used.	Completed
		August 2023to July 2024	Review of Daily Class Taken Report	Monitor the attendance of students	To improve the students attendance, Encourage students to be regular to classes	Available facility in the college is used.	Completed
		I week of February 2024	Reviw and submission of KSCST Project Proposals	Provide guidelines for students to prepare proposal and submit for funds.	Encourage students to write reearch proposals and involve in research work	Available facility in the college is used.	Completed
		Second week of May 2024	Reviw and submission of VGST Project Proposals	Providing an oppartunity for faculty to submit their proposals for funding	Motivate faculty on writing proposals related to their research work.	Available facility in the college is used.	Completed
		Second week of June 2024	Collection and review of Activity Points Reports	Consildation of activity points reports from final year students	Encourage students to participate in extension / social service activities	Available facility in the college is used.	Completed
		First week of March 2024	Collection and Review of CO-PO Mapping for 2022 courses	Course outcome and Program outcomes mapping for 2022 Course for first semeser courses	Prepare mapping and include activities for stregthening Co-Po mapping	Available facility in the college is used.	Completed
		Third week of March 2024	Organizing a talk on, Entrepreneurship and IPR	Organizing a talk on, Entrepreneurship and IPR	Provide complete information and encourage faculties to make use of E-Resources	Available facility in the college is used.	Completed
		Seoncd week of July 2024	Review and submission of VTU best projects	To prepare and submit the research proposals of students.	Encourage students to write reearch proposals and involve in research work	Available facility in the college is used.	Completed

		Date	Activity	Issue	Action	Resources	Remarks
		9/10/2023	Quality Process initiation	Issues Circular to Group Head HRD for preparation of Perspective Plan	Issue circulars and follow up. Set deadlines	Refreshments/stationery	
		1/8/2023 to 3/8/2023	Technical training for 5th Sem	Issues Circular to all Heads for informing stuents of 6th semester about placement training	1.Coordinate the placement training program 2. Circular, date and time,	1.Rs. 3,33,000/- towards the Training Program,honorarium	STUTI team has to identify volunteers and coordinate the traning process
		16/8/2023 to 9/9/2023	Aspiration profiling universal values creative arts and proficiency skills training for 7th sem	Issues Circular to all Heads for informing stuents of 7th semester about placement training	1.Coordinate the placement training program 2. Circular, date and time,	1.Rs. 25,39,808/-/- towards the Training Program,honorarium logistics, working lunch	STUTI team has to identify volunteers and coordinate the traning process
		11/9/2023 to 14/9/2023	Technical training for 3rd sem	Issues Circular to all Heads for informing stuents of 3rd semester about placement training	1.Coordinate the placement training program 2. Circular, date and time, 3.Preparation of time table for training program	1.Rs. 3,33,000/- towards the Training Program,honorarium ,logistics, working lunch, stationery etc.	STUTI team has to identify volunteers and coordinate the traning process
