HASIRU-ECO CLUB REPORT

Name of the Event organised	Awareness on Dengue and Malaria
Date and Day	02/04/2019 Tuesday
Issues addressed	Prevention of Dengue and Malaria
Place of the event conducted	Govt School
Report: <p>A team of student volunteers organized an event “Awareness on Dengue and Malaria” at Govt School. The Program was organised and co-ordinated by Dr. Tulsidas (Community club) and Prof. prashanth kumar H P(Eco Club) along with student volunteers. Students and Teachers of Govt School were given information about the cleanliness to be maintained for preventing Dengue and Malaria. The teachers were happy for the active participation of college students. Teachers appreciated our students for their honest hard work towards social responsibility and commitment towards the community. The awareness is created among the students and Teachers by conducting a session on dengue and malaria prevention, will learn more about measures to stay healthy and what all to do in case of infection. The students are taking active steps to spread awareness, participating in making a change, and practicing preventive measures in their daily lives.</p> <p>The awareness programs can deeper only in schools. School students are better equipped to understand the reasons behind the preventive steps they are to take than the general public out there. They can better understand the difference in species that lead to the spread of those diseases, how they fly around at different times of the day and how fever along with headaches are symptoms on one disease but not the other. School students are in a better place to persuade their parents or anyone in the society to visit a clinic for they know the science that goes on in the backdrop and can put forth logical arguments to anyone</p>	
Impact & Sensitization	Clean Area/Village with proper measures to prevent Dengue and Malaria
Faculty Coordinators	Dr.Tulsidas D & Prof. Prashanth Kumar H P

Report On SANKALP 2019

“Sankalp”- the annual intra collegiate cultural fest of our college, is held over a period of two days. The Cultural festival is organized to encourage and give enough knowledge on various cultural activities for the students and staff of the college. Sankalp 2019 was held on 29th and 30th of March, 2019.

Day-1 of the Fest was started around 3pm at the Main stage set up in the college grounds. The preliminary rounds of Music events were started first, followed up by the preliminary rounds of Dance events. Sports Day Award distribution was conducted post the prelim rounds which was attended by **Sri. K R Laxminarayan** (Former Intl. Volleyball Player), who addressed the gathering about Sports playing an important role in Youth. **Prof. Krishne Gowda** was the Chief Guest for the day, who arrived at 5pm and delivered a Comic Relief to the audience. Events post the addressing mostly included Dance events and fillers.

Day-2 of the Fest started much earlier than the first day due to tight schedule of the events. The evening started with the welcoming of the cast of the movie “RATNAMANJARI”. Popular Sandalwood actor **Sri. Ninasam Satish** was the Chief Guest for the function. The Chief Guest was welcomed into the college premises by a convoy arranged by the college students. The said convoy arrived around 7pm to the main stage, which was followed up by the addressing of the Chief Guest to the gathering. The Main event for the day was the Personality Contest wherein students participate in couple of rounds (that includes Fashion Walk, Judges Question round, etc.) and ultimately two students are crowned Mr. & Ms. Sapthagiri. The function ended with the DJ Night which went on till 10:30pm.

Report on CHANAKYA 2019

Chanakya is an event that consists of events related to Computers and Games. The event was conducted on 28/03/2019. There were around 85 participants for all the events. Chanakya 2019 was successfully conducted with winners announced for the completed events.

The following events come under Chanakya 2019:

1. Debug the C Bug
2. Circuit Debugging
3. Blind Coding
4. Circuit Builder
5. Gaming
6. Hackathon

The winners of the above mentioned events are:

Circuit Debugging-

1. Manjunath B/Anusha V Murthy
2. Dhanush H P/ Nethravathi B N
3. Harshith B K /Anish M

Circuit Building-

1. Karthik K/Lingraju L
2. B K Harshith/Anish M
3. Nandini S/Janaki S

Debug the C bug

1. Hemanthkumar
2. Sonali Gupta
3. Pavitra N

Gaming-counterstrike

1. Shahdant Hussian
2. Shashank Bairy

HASIRU (ECO CLUB) REPORT

Name of the Event organised	SWACHH SAPTHAGIRI ABHIYAN
Date and Day	14.03.2019
Collaboration or Association	Health Club & NSS
Issues addressed	Cleanliness of surroundings
Place of the event conducted	SCE surroundings
<p>A campus cleaning programme was conducted by HASIRU Eco club in collaboration with Health club and NSS wing on 14th march, 2019 at the Sapthagiri College of Engineering. A total of 100 volunteers participated in the programme. Dr. K N Ravi HOD of Electrical department initiated cleaning activities among volunteers. He motivated students towards 'Clean India' by his inspirational talk. The volunteers cleaned the entire campus wearing gloves and collected all the litter in big bags for disposal. The volunteers were instructed to clean their hands with soap at the end. Refreshments were distributed to volunteers. Programme officers carried out all the arrangements along with the Programme Coordinators for the smooth conduct of the programme.</p>	
Impact & Sensitization	Students got the awareness on keeping the surroundings and environment clean.
Faculty Coordinators	Dr.Tulsidas D, Associate Professor, Prashanth Kumar HP, Assistant Professor.

HASIRU-ECO CLUB REPORT

Name of the Event organised	Hesaraghatta lake cleaning
Date and Day	02-03-2019, Saturday
Issues addressed	Removal of plastics and waste in & around lake
Place of the event conducted	Hesaraghatta
Report: <p>Hasiru (ECO CLUB) & NSS team chose to clean the Hesaraghatta lake. It was summer season and the lake was almost dry and was easier to clean at that stint. Both the teams chose to maintain the same propaganda of making the lake plastic-free. The team was divided into a number of sub-teams and each team went onto clean different parts of the lake.</p> <p>The volunteers collected various plastics such as chips covers, biscuit covers, juice bottles, liquor bottles and also lot of cloth which were carelessly thrown into the lake. The volunteers collected the wastes in gunny bags and these bags were finally disposed on to a municipal truck.</p>	
Impact & Sensitization	Clean lake area without plastics and make a good environment available for Villagers, animals and aquatic animals.
Faculty Coordinators	Dr.Tulsidas D & Prof.Prashanth Kumar H P

HASIRU (ECO CLUB) REPORT

Name of the Event organised	Orientation on Organic Farming
Date and Day	15-02-2019 FRIDAY
Collaboration or Association	COMMUNITY CLUB
Issues addressed	Using Organic Farming getting good quality and yield with less cost.
Place of the event conducted	Village near Hesaragatta Main Road

Report:

As per the direction of Principal, a team of faculty and student volunteers organized an event "**Orientation on Organic Farming**" in the Village near Hesaragatta Main Road. The Program was organised and co-ordinated by Prof. Prashanth Kumar HP (Eco club) in association with Prof. Tulsidas (Community Club) along with students from both Community and Eco club. The students from different departments of SCE participated in the Orientation on 'Orientation on Organic Farming'. Initially the student coordinators of Eco Club 'Hasiru' told the student participants and faculty went to

Village near Hesaragatta main road inform the villagers and farmers to assemble near agriculture land and briefly started about discussing organic farming, agricultural system that uses ecologically based pest controls and biological fertilizers derived largely from animal and plant wastes and nitrogen-fixing cover crops and also discussed about Organic farming is better for the environment. Organic farming practices reduce pollution, conserve water, reduce soil erosion, increase soil fertility, and use less energy. Farming without pesticides is also better for nearby birds and animals as well as people who live close to farms

HASIRU (ECO CLUB) REPORT

Name of the Event organised	NO HONKING DRIVE IN TRAFFIC.
Date and Day	16/11/2018, Friday
Collaboration or Association	Health club and Community club
Issues addressed	Noise pollution caused by use of car horns without any reason
Place of the event conducted	Traffic signal near college campus

Report:

As per the direction of Principal, a team of faculty and student volunteers organized "NO HONKING DRIVE IN TRAFFIC" at traffic signal near college. The Program was organised and co-ordinated by Prof. Prashanth (ECO Club) in association with Health club and Community club along with students from both Community and Eco club.

According to the Karnataka State Pollution Control Board (KSPCB), the sound levels of horns should not exceed 84 decibels.

- A car horn's average decibel level is nearly 110dB, which is a serious health hazard as any sound above 60–70dB can result in gradual loss of hearing.
- Noise pollution has become such a serious problem in cities that ENT specialists say that most of the urban population suffers from 20dB hearing loss.
- If a person has chronic exposure to sound above 55dB, the risk of heart disease and stroke increases. As per a WHO study, "One million healthy life years are lost due to traffic noise."
- The problem is worst at traffic signals where drivers start honking without waiting for the signal to turn green or for traffic to move. Drivers show no respect to the law that prohibits the use of horn at traffic signals and other silent zones such as areas near hospitals, schools, religious places and

residential areas. Vehicular honking in cities has reached at an alarming level and contributes approximately 70% of the noise pollution in our environment. According to an recent article of TOI, Four years ago, the city traffic police launched a campaign to get Bengalurean's to start every week sans loud, unnecessary honking. The police recently relaunched the 'No Honking Monday' campaign but it is clear the call has fallen flat and citizens continued to be - as the police would say - 'horn-y'.

SCE has initiated a MOVEMENT against honking. Our battle plan includes putting up 'No Honking' banners, distributing pamphlets, stickers ETC..

Impact & Sensitization

SCE organizing public awareness campaigns to eliminate noise pollution has been appreciated by good Samaritan's.

Issues addressed	Awareness of Food, wastage of food and farmer problems
Place of the event conducted	Sapthagiri College of Engineering, Bengaluru
<p>Report: A team of faculty and student volunteers organized an event “World Food Day” at Sapthagiri College of Engineering, Bengaluru. The Program was organized and co-ordinated by Prof. Prashanth (ECO Club) along with students from both Community and Eco club. World Food Day is an international day celebrated every year around the world on 16 October in honor of the date of the founding of the Food and Agriculture Organization of the United Nations in 1945. The day is celebrated widely by many other organizations concerned with food security, including the World Food Programme and the International Fund for Agricultural Development. World Food Day each year on 16 October to commemorate the founding of the Organization in 1945. These events promote worldwide awareness and action for those who suffer from hunger and for the need to achieve Zero Hunger, ensuring food security and nutritious diets for all. Awareness of global food problem given to students. The total number of people suffering from a lack of food is over one billion people worldwide. The fact is that population growth outpaces agricultural production and the development of agricultural technologies. Information on the Five Food Groups are given to Students. The five food groups are Vegetables and legumes/beans, Fruits, Grain (cereal) foods, mostly wholegrain and/or high cereal fibre varieties, Lean meats and poultry, fish, eggs, tofu, nuts and seeds and legumes/beans, Milk, yoghurt cheese and/or alternatives, mostly reduced fat.</p>	
Impact & Sensitization	Awareness of farmers’ problems, proper usage of food, healthy food habits, No wastage of foods.

Report on OKULI 2018-2019

Okulli is an event that consists of events related to Colors. The event was conducted on 20-09-2018 and 21-09-2018. There were around 25 participants for all the events. Okuli-2018 was successfully conducted with winners announced for the completed events.

The following events come under Okulli 2019:

1. Painting
2. Rangoli
3. Sketching
4. Nail Art
5. Face Painting
6. Mehendi

The winners of the above-mentioned events are:

Painting -

1. Santhosh G K
2. Reshma S Hedge
3. Mayuri Udupa

Rangoli -

1. Shilpashree/Vrundha
2. Rohini S/ Rekha
3. Angel D /Priyanka D

Face Painting-

1. Reachikaa S/ Sirisha
2. Haripriya / Harshitha

Mehandi-

1. Deepika Sharma / Divyashree R A
2. Lekhana B S/ Bhumika N
3. Swathi Biradar/Kavya H M

Sketching-

1. Sahana C
2. Reshma S Hegade
3. Mayuri Udupa

Nail Art-

1. Ananya
2. Usha
3. Kousalya

HASIRU-ECO CLUB REPORT

Name of the Event organised	BEST OUT OF WASTE
Date and Day	10-09-2018 MONDAY
Collaboration or Association	COMMUNITY CLUB
Issues addressed	Waste can be eliminated in a better manner by making them into novel and usable products.
Place of the event conducted	BIOTECHNOLOGY LAB

Report: *HASIRU-Eco club* organized an event “**Best Out of Waste**” in the College at BT Lab. The Program was organised and co-ordinated by Prof. Prashanth Kumar HP (Ecoclub) in association with Prof. Tulsidas (Community Club) along with students from both the clubs. The students from different departments of SCE participated in the competition on ‘**Best out of Waste**’. Initially the student coordinators of Eco Club ‘*Hasiru*’ told the student participants enrolled in the event to collect the different waste items in the college like used paper, cardboard, plastic bottles, juice cartons, cans, threads, wires, wooden sticks, metal scrap, disposable plates and cups, CD and DVDs, batteries, electric bulbs, pens, envelopes, hangers, keys, rubber bands, tinfoil etc. The waste collected was dumped at a specified place and segregated for the competition. The student participants were made to assemble at the event conduction place and were provided with the necessary raw materials *i.e.* waste collected along with few stationeries needed to make the usable products. All the necessary provisions and arrangements were made for the student to participate without any difficulty. The students participated with interest and made different usable things like photo frames, hourglass, table lamps, lanterns, flower vase, pen stands, toys, carry bags, fountain, pin box, mini vacuum cleaner, air pump, dispenser, juicer etc. The nature of things given to the students were considered waste but the students made usable things in the competition by assembling and gluing bits and pieces of waste items to form entirely a new product from their own creative ideas. They have shown their creative and artistic skills and

made items of interest. The products made by the students were exhibited and suggestions were given by the staff and other fraternity. The products made can be used for variety of applications and depicts how the waste can be reused in a better manner not only in the college but also community as a whole, instead of simply disposing the waste, how better products made, helps in reducing the cost, materials and keeps the surroundings clean. Best out of things made from waste was appreciated by the Management of SCE, Principal, faculties and others. The students were educated and told how waste can be reduced, reused, recycled and recovered in a better manner in order to keep the environment around us eco-friendly and safe.

Impact & Sensitization

Students learnt how to make usable products from waste by using their creative and cognitive skills. They also learn how to keep the environment and surroundings clean by proper disposal of waste.

Report on MADHURYA 2018

Madhurya is an event that consists of events related to music. The event was conducted on 28/08/2018 and 29/08/2018. There were around 30 participants for all the events. Madhurya 2019 was successfully conducted with winners announced for the completed events.

The following events come under Madhurya- 2018:

1. Anthakshari
2. Western Solo
3. Filmy Solo
4. Western Group
5. Classical Solo
6. Beat-boxing

The Winners of following events were:

Anthakshari

1. Shreema Shree K P and Team
2. Deepthi N Prasad and Team
3. Spoorthi N and Team

Western Solo

1. Sohan Vemu
2. Sharon Phyllis Leo
3. Shreeya Guntkal

Filmy Solo

1. Rajat G
2. Shubham Chauhan
3. Mayuri Udupa

Western Group

1. Adithya N and group
2. Sohan Vemu and group

Classical Solo

1. Mandhara C K
2. Mayuri Udupa
3. Meena Alekhya

Beat-Boxing

1. Rijju H Roy
2. Adithya N

Report on Fresher's Day 2018

Fresher's day is an official event to welcome newly admitted students in a friendly atmosphere. It will be marked as a memorable day in the life of every fresher.

Sapthagiri College of Engineering organized Fresher's Day on 16/ 08/2018 at 9.30 a.m at Amphitheatre for the students of batch 2018. The event was preceded by Sri G Dayanand, Chairman and Managing Director, SCE., Sri G D Balaji , Executive Director, SCE., Sri G D Manoj , Executive Director, SCE.

The Chief guest for the event was Dr Krushna Chandra Gouda, Senior Scientist, CSIR, Centre for Mathematical Modeling and Computer Simulations. The event was graced by Dr. Shivabasappa ,Principal, SCE and Dr. K.R. Nagabhushan, Administrative Officer, SCE. Inaguration of the event was done by a welcome speech ,Invocation, followed by lighting of the lamp ,report of the college . introduction of the Chief Guest,Address by the Chief Guest and lastly vote of thanks

The Chief guest, addressed the gathering and shared his valuable thoughts and experiences and gave an insight about current trends and scope of engineering. The students were further sent for interacting with the faculty members which was proceeded by lunch. The event was a great success.

HASIRU-ECO CLUB REPORT

Name of the Event organised	Drive on SCE hostel food wastage survey and management
Date and Day	08-08-2018
Collaboration or Association	NA
Issues addressed	Reduction of wastage of food in the college hostel
Place of the event conducted	College hostel
<p>Student volunteers made a survey of wastage of food in the college hostel. The Program was organised and co-ordinated by Prof. Prashanth Kumar HP (convener, Eco-club) and Dr. Tulsidas (convener, community club). The students from different departments of SCE participated in the survey process. Student coordinators of Eco Club 'Hasiru' prepared a Survey questionnaire and then fine tuned with the help of faculty members of the club. The student volunteers assembled at the hostel and then survey randomly with the hostilities about the wastage of food. All the necessary provisions and arrangements were made for the student to participate without any difficulty. The questionnaire depicts different aspects of wastage of food in the hostel. Student volunteers also educated the hostilities not to waste the food. A report was given to the principal and discussed how to minimise the food wastage in the hostel. Awareness was provided on how waste can be reduced, reused, recycled and recovered in a better manner in order to keep the hostel environment clean and safe.</p>	
Impact & Sensitization	Student learnt about wastage of food and its bad effects on other people. They also learnt how to keep the hostel environment and surroundings clean by proper disposal of waste food.

SERVEY ON HOSTEL FOOD WASTAGE AND ITS MANAGEMENT

1. Do they change the hostel food menu frequently?

☒ Yes No

2. What is the reason for hostel food getting wasted daily?

Extra food is cooked

Quality of food not good

Eating fast food outside ☒

3. How much amount of food waste in a day?

A large amount

an average amount ☒

Very little

4. Are they maintaining hygiene in the kitchen?

☒ Yes No

5. How can the wastage of food be reduced in hostel?

By improving quality of food

By Cooking sufficient amount

By avoid eating fast food ☒

6. Is the food menu chosen by Management, student or Warden?

Management

Warden

Student ☒

7. Is the food provided in the hostel hygienic?

☒ Yes No

8. Which meal do you skip normally?

Breakfast

Lunch

Dinner ☒

9. Is the hostel food nutritious or not?

☒ Yes No

10. Is the food served with clean hands?

☒ Yes No

11. Are they providing food on time?

☒ Yes ☐ No

12. Is the food served fresh from the kitchen?

☒ Yes ☐ No

13. How necessary is controlling food wastage in hostel?

☒ Should resolve urgently ☐ Not necessary

14. How often do the students waste food?

☒ Frequently ☐ Rarely

15. Which of these according to you is most wasted?

☐ Breakfast ☐ Lunch ☒ Dinner

16. Why do you skip meal at night?

☒ Eating outside fast food ☐ Do not like it

Report on Kargil Vijay Divas

Kargil Vijay Diwas, named after the success of Operation Vijay. On this day, 26th July 1999, India successfully took command of the high outposts which had been lost to Pakistani intruders. The Kargil war was fought for more than 60 days, ended on 26th July and resulted in loss of life on both the sides. The war ended with India regaining control of all the previously held territory, hence re-establishing the status. Kargil Vijay Diwas is celebrated on 26th July every year in honour of the Kargil War's Heroes. This day is celebrated in the Kargil-Dras sector and the national capital New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at India Gate every year. Functions are also organized all over the country to commemorate the contributions of the armed forces.

National Service Scheme (NSS Unit) of Sapthagiri College of Engineering organized Kargil Vijay Diwas on 18th August, 2018. Chief guest of the function was Sir Nanjundappa, He shared his experiences and motivated the students to join army and serve the nation. Students performed Skit showing the importance of soldiers. Chief guest was felicitated by our beloved Principal Dr. K. L. Shivabasappa, Administrative Officer Dr. K. R. Nagabhushana along with the Staff.
