### Rashtriya Ekta Diwas

Rashtriya Ekta Diwas is observed on 31st October in India and is also known as National Unity Day. Rashtriya Ekta Diwas or National Unity Day commemorates the birth anniversary of Sardar Vallabhbhai Patel. He played an important role in uniting India. He is also famous as an Iron Man of India and one of the founding leaders of the Republic of India. Sapthagiri College of Engineering celebrated the day by taking the pledge. Students and teachers gathered in seminar hall and took the pledge.

Pledge is "I solemnly pledge that I dedicate myself to preserve the unity, integrity and security of the nation and strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of Sardar Vallabhbhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country."

### Computer awareness program to govt. school children

As per the direction of Principal, a team of faculty and student volunteers organized an event “Computer awareness program” at Govt. school on 09/05/ 2016.

There are students who doesn't known about computers, types of computers and utilization computer in education, particularly in Govt. Schools. One particular reason is lack of financial support to them also because of uneducated parents. Hence Sapthagiri College of Engineering selected a school and planned day long program for all classes. A team of students and faculty visited the school and made a good impact over the students by giving various examples. Team members have also informed to the students that, government has introduced so many benefits for the good students, even laptop also be provided by the government in higher education system. The students are happy and they asked few questions and were happy with the answers.

## Education For Everyone

As per the direction of Principal, a team of faculty and student volunteers organized an event “**Education For Everyone**” at Govt. school on 22/06/2015

There are cases where the students had discontinued their education, particularly in Govt. Schools for different reasons, one particular reason is lack of financial support to them also and to their parents, especially in few cases parents will force the students to leave the school. Even though students join the school they don't know the importance of continuing the education. In these areas team of students and faculty from Sapthagiri College of Engineering as put light and made a good impact over the students by educating them. Also the team gave the guidance on various course options, scholarships. To get good recognition and rewards in this competitive world the continuous education is most important. The government is having many good schemes to encourage children to get good education through RTI (Right to Education Act), the same has conveyed to the children. Motivated the children with the sayings of famous personalities like Swamy Vivekanandha, Bharatha Rathna, Sir M.V. Bharatha Rathna APJ Abdul kalam, Kalpana Chawla so on. Article 26 of Human Rights has been explained to students. The students are happy and they asked few questions and were happy with the answers.
