REPORT ON CODE HACKATHON 2019

The Computer Science Engineering Department organized an Inter-College Hackathon event on 15th November (Friday) in which approx. 250+ students from all the branches participated. The event was inaugarated in the Seminar Hall in the gracious presence of our Vice Principal Sir ,Mr. M. H. Annaiah our CSE HoD Mam Mrs.Kamalakshi Naganna and our Resource persons Mr.Nakul Sagar and Mr.Deepak N.

The event was successfully organized and carried out by the coordinators Mr.Aditya Dey, Mr.Siddhant Pandey, Mr.Mohit S and their efficient team of volunteers.

The Hackathon event covers the following domains

1. Agriculture
2. Entertainment
3. Education
4. Health care
5. Social
6. Innovative ideology

The participants came up with creative innovations and the best ones bagged away the winning prize. The runners up were equally rewarded besides all the participants getting participation certificate. Judgement was based on creativity, innovation, presentation and code length.

Winners and runners are as follows

year	winner	runner
1st year	Team: wanderer	Team: dominators
2nd year	Team: carbon	Team: Atlantic the originals
3rd year	Team: geekathon	Team: launde
4th year	Team: Agro coders	nil

All in all, it was a grand event which saw participation in large numbers from all the students be it 1st year or 4th year. An event like this shows how eager the students are to learn and create something for out future. We hope to organize more such events in the future.
