

## MILESTONES

Sapthagiri College of engineering established in the year 2001 by our founder chairman Late **Sri T. Giriyappa** with a vision to transform students into competent, inspired and responsible professionals. College is situated over an area of 6 acres within a landscaped garden.

Under the able guidance and dynamic leadership of Sri. G. Dayanand, Chairman and Sri. G. D. Manoj, Executive Director, the college has developed excellent facilities and resources such as spacious classrooms, seminar halls, well-equipped laboratories, excellent sporting facilities, dedicated high speed internet connectivity (broadband and WiFi) and well-qualified faculty. Institution runs with one Administrative Block and three academic Blocks (Rabindranath Tagore Block, Faraday Block and Sir M. Visvesvaraya Block) that house the different department class Rooms, Laboratories, Library and staff Rooms.

Currently the Sapthagiri College of Engineering affiliated to the Visvesvaraya Technological University, Belagavi offers 7 undergraduate (B.E.) and 2 post-graduate (M.Tech.) Programmes of study with 7 of the 10 academic departments recognized as research centres permitting research leading to Ph.D. degree by VTU, Belagavi. All the above courses have the approval of All India Council for Technical Education (AICTE). The College has 10 academic departments and 7 research centers, each headed by a competent and experienced professor. Altogether, the college has over 163 well qualified teaching faculty and 28 supporting technical staff, in addition to 09 administrative staff. The combined student intake during the current year is 768 and the total number of students on roll is 2831. The training and placement section of SCE provides a launch pad for students to make themselves to the best organization in the field of software and core industries. The value of the education and training imparted by the college is highlighted by the

interest shown by leading companies for on-campus recruitment. In the academic year 2018-19, 53.2% students have been placed through our Training and placement Cell. Our alumni have done us proud by proving their worth in their chosen field of work.

The institution is equipped with a well-stocked Library and Information Centre which has a well-furnished digital library, reading room and reference section. There is also reprography service and sharing of resources among users. SCE Library has 28000 reference as well as text books in all formats, Laptop pool with internet connectivity and subscribed various valuable online e-resources like IEEE-IEL Online (e-Journals), ASME (e-Journals), ASCE (e-Journals), Taylor & Francis (e-Journals), Pro-quest Engg + Management (e-Journals) etc. through VTU Consortium.

COMPUTER SCIENCE AND ENGINEERING - **Year of Establishment 2001**

INFORMATION SCIENCE AND ENGINEERING- **Year of Establishment 2001**

ELECTRICAL AND ELECTRONICS ENGINEERING - **Year of Establishment 2004**

ELECTRONICS AND COMMUNICATION ENGINEERING - **Year of Establishment 2001**

MECHANICAL ENGINEERING- **Year of establishment 2001**

**Ranks & Gold Medals** - 32 University Ranks & Gold Medals

**Placement** Highest package – Rs.26 Lakhs per annum  
[Adobe Reader Company for CSE Branch]

Second Highest – Rs.16.5 Lakhs per annum  
[Value Labs Company]
