Annual Report of ECO CLUB for 2014-15

The first **HASIRU-Eco club** meeting for the academic year 2014-15 was held on **8th July 2014 at 10.30 am.** The agenda of meeting was to discuss about the activities to be conducted from Eco-club for the academic year 2014-15. The discussion was focused on Eco-club activities and to conduct events for the students.

The following events were conducted during the year 2017-18:

Sl. No.	Chronology	Plan	Description
1	SEPTEMBER 3rd 2014	Interaction with Government school students on Environmental pollution	ECO-club members educated School students on ill effects of environmental pollution
2	November 19th 2014	Medical camp	Medical camp was organized at a PU college
3	March 04th 2015	Orientation on API culture	Members of Eco club were taken for API culture farm and briefed on Honey Bee culturing.

All the events were conducted successfully to sensitize the students and the Village community. To implement these activities Faculty members and ECO CLUB Student volunteers joined hands with **team NSS and Community club**. Our main Focus for this year was on sanitation of students on Environmental pollution, Medical camp for college students and orientation on Honey Bee culture.
